LODERS RELIEF OF NEED CHARITY REPORT for the year ending 31st December 2020

Registered Charity number 200857

The Trustees met twice this year despite COVID. The funds stand as follows:

COIF Charities Deposit Fund £3,346.29

NatWest Reserve Account £1,1708.68

The Trustees were able to support a self-employed worker early in the pandemic and have continued to support a family in Loders.

We have tried to publicise the existence of the charity by putting posters on the village noticeboards and would be pleased to hear of anyone who could benefit from a small grant.
