

LODERS PARISH COUNCIL
Annual Parish Assembly 18 April 2023

Report on the Cemetery

The main event for the year 2022/23 was the siting of the new jubilee bench at the cemetery to mark the late Queens Platinum Jubilee in June 2022 ahead of her passing on 8th September 2022.

With all the daffodils and primroses out now, the cemetery is a peaceful and pleasant place for reflection having lived in the village all my life. I take the time to look around at the graves and there is an old man that I worked alongside when I was a teenager and another young lady that spent a lot of time at our house with my sisters. The new bench amidst the flowers provides the perfect spot to sit and rest and take some time for reflection on years gone by.
